This season to allow your child to compete we will require the help of parents/carers. At every competition we are allocated an event to officiate, we have 5 qualified officials at the club but 4 of them are coaches/athletes.

As coaches we would like to be able to help, observe and actually coach your children (the athletes) and not spend so much time officiating. To help us we would like the help of around 6 parents to help with various duties on the day, maybe for an hour or so, whether it's to rake a sandpit, collect javelins or measure a distance. We will also need a possible timekeeper and a track judge which sounds worse than it is but if you are interested please see either, Paul, Trevor or Kelly on the day.

There will always be a qualified official in charge of the event and we will try and let you watch your child compete whenever possible, it would help us as coaches and be beneficial to your child and the club.

This year as a club we are **CO-HOSTING** the **2** competitions on the **16<sup>th</sup> May** at Warrington and the **30<sup>th</sup> May** at Blackburn, it would be fantastic and appreciated if we could get as many parents as possible helping on those days.

There is a **PARENTS** meeting on **Wednesday 1<sup>st</sup> April, 6.30 till 7.30ish** in the conference room at the arena, where we can explain more about helping out on the day, what we hope to achieve this year and a chance for you as parents to ask the coaches questions regarding any matter.

**TRAINING WILL STILL BE ON THAT NIGHT.**

We hope to see you there

Trevor, Paul, Kelly, Rachel, David, Andy, Peter, Tony, Brenda and the junior coaches.
